I need to have an updated list of your club members for two reasons: 1) to update my computer and 2) to make sure you get the proper number of votes at the BofR meetings. There are a lot of clubs that haven't turned in a list at all. If I don't have a membership list for your club, you will not get a vote at the next BofR meeting. Thanks for all of your help. Good luck and be SAFE SHOOTERS!

Ten Ways To Know You're Married to a Bowhunter

1. He cuts the sleeves off his shirt because he forgot toilet paper.
2. He takes his bow out more than you.
3. You open the freezer and something stares back at you.
4. His idea of a romantic walk in the woods includes looking for scrapes, rubs, and shed antlers.
5. Your family vacations are planned around bowhunter functions.
6. His favorite holiday is October 1st.
7. He builds a tree house in the back yard for your child (so he says) which just happens to double as a tree stand for target practice.
8. His favorite cologne is named after some woodland creature's bodily function.
9. He explains the "kill zone" on the family cat as it crosses the yard.
10. He has a heightened appreciation for all God's creations.
