Congratulations to our own MBH Lifetime Member, Dick Wood ...

.... on an outstanding showing at the **Huntsman World Senior Games** held recently in St. George, Utah! Dick currently holds the Field/3D World Record in the 65-69 year Barebow Recurve division (from 2008) as well as the American target round.

This year he chose to compete with his hunting compound bow, so he shot both events in the 65-69 Barebow Compound division. This was Dick's last year in that division for the Huntsman World Senior Games.

Dick said, "This provided me the opportunity to attempt to win titles in two different disciplines and break and set two more records!"

"The format was changed for this year's 3D, where only 2 arrows were shot at 28 targets per day with marked distances. We were forced off the range on Monday by lightening followed by more lightening and rain with only 14 official targets completed. So the scores reflect 12-10-5 scoring for only 42 targets with 2 arrows each. My competitive group chose to shoot from the sight-shooters stakes."

"I finished with only 8 shooters beating my score (all compound release) and managed to outshoot all finger shooters including those shooting Olympic style bows. I guess I was in the 'zone'. I even tied or BEAT Marlow Larson on about 5 targets on Tuesday. He

was an absolute pleasure to shoot with and at age 77, had the highest Men's score of the event. Becky Pearson was the overall Women's high scorer and she bested me by less than 40 points.

Dick Wood Wins 2 Gold Medals at Huntsman World Senior Games

A message from your President ←→

Archery deer season is in full swing in the great state of Missouri! I have already heard of a few nice trophies being taken. This is what we work for all year. The chance to spend some time in a deer stand and when the time comes, make that perfect shot. Enjoy it while you can, January 15th will be here before you know it. Then we'll be counting down the days to September 15th again

Normally this time of year is pretty quiet for the MBH board. Most of us are trying to concentrate on hunting, too. That's not the case this year. There has been a lot going on the past couple of months. First of all, Jeff Friedmann, who stepped up and took over as Secretary/Treasurer in January, has relinquished his duties as of October 1, 2010. When Jeff agreed to help in January, he said then, that it would only be temporary. Jeff has a lot of other irons in the fire and did not want his job as MBH Sec/Tres. to suffer. Kathy Potter has volunteered to take over that position until the January B of R meeting, when a new Secretary/Treasurer can be appointed. Jeff has been a valuable asset to MBH for that past six years. He has certainly been a huge help to me these past two years. Special thanks go out to not only Jeff, but his wife Monica and the rest of the family. Amanda and Jeffery are always right there working, too.

Elections for MBH officers will be held Next month. Ballots will be delivered in the November issue of the Release and counted at the January Board of Representatives meeting. As of now there are two candidates, myself for President and Bill Myers for Vice-President. If anyone else is interested in either of these positions, please contact me and send a resume' to the Release to be published in the November issue.

The MBH-NFAA state championship has been finalized. We are going to try something new this year. The tournament will be held on November 28th. at four different locations. This will be a "Vegas" 450 round. All the information as well as the entry form, and locations, is in this month's Release. You must be a NFAA member to shoot this tournament.

In 2003 MBH started the Paul Jeffries Scholarship program. This is a great opportunity for a MBH member to take advantage of. There was not a recipient in 2009. All the information and an application will be published this month. The application needs to be received by November 26th. 2010 to be processed. Don't let this opportunity pass.

Vic's Archery in St. Joseph is hosting a benefit shoot for the Breast Cancer awareness month. The shoot will be October 24th. @ 2:00 pm. We will be shooting a special pink ribbon target. This will be a fun shoot with a purpose. I will be there and challenge all other MBH archers from the Kansas City area to show up and shoot like a girl!

Good luck this season and be safe!

Steve Christian, President

LARGE & SMALL GAME COMMITTEE

Every hunting season, I seem to get reports from long time members on a regular basis, and this year is no exception.

Charles Cashatt Jr., Excelsior Springs, 149 lb. 12 pt. buck, 19 yard shot killed on the first day of the season, taken on public ground in Clay Co. at 6:54 am, 64th in 38 years of bow hunting. Nice way to start the season.

There are several other members that I have heard filled tags, just haven't received their reports. Be nice to break 100 reports. Just a reminder, there are large game forms that have been in circulation with my old address on the bottom of the form. Make sure it has my Camdenton address on it.

During the rut, deer activity is greast during the morning. Research that the Vermont Game Commissioner Wayne Laroche had conducted during a 12 year study, has shown that during the rut, daytime activity peaks during the first two hours of daylight. Source: Charles Alsheimer Deer & Deer Hunting. Just thought you'd like to know. Til next month.

Bow Hunter Defense Committee

Add the city of Camdenton to the growing list of communities that are turning to bow hunters to help solve their ever increasing number of problem deer. Several weeks back I was invited by Jim Braithwait, Wildlife Damage Biologist for the Missouri Dept. of Conservation (MDC) to sit in with him at the Camdenton City Counsel meeting on the input of using bow hunters to help solve the ever increasing number of deer. Thanks to the info from the Large Game Form questionnaire that members provide, I was able to give them some concrete facts. Most of this area of the state is pro hunting but little did this panel know about bow hunting. They were pleasantly surprised when I told of the average bow shot was less than 20 yards and how many of our members have taken either Hunter Safety or Bow Hunter Ed. For this panel, safety is their number one priority. I guess they liked what they heard, for another meeting on Oct 12th has been set to get the wheels in motion to have bow hunting start as soon as possible. Several hurdles have to crossed before it happens, but it could be as soon as Nov. I'll keep you informed, for I might need some experienced hunters from the LOZ area to help out.

Safe Huntin'
Jack

St. Louis Bowhunters St. Louis, Mo.

by Bob Brumbeck

We have put in a new shooting wall at our indoor range and re-sanded and finished the hardwood floors up in the front end again. The old hardwood floor gets more beautiful every time

that it is refinished. We would like to thank the ones that did it. I'm sorry but I do not know, but it is sure beautiful. I need these guys to come and do my house.

Be careful out there in those tree stands. Use a safety harness, because we want you back next year.

Vic's Archery... Stepping Up!

This year, SLG² kicked off the **I Shoot for the Girls** tournament promotion to raise money for the **National Breast Cancer Founda-**

tion (NBCF). Archery Shops, Groups, Clubs and Leagues who participate with 10 or more archers will receive incentives. The shoot is from 18 meters, four arrows for ten ends, max score 400 on a specially designed target. There are 3 divisions (Men, Women and Youth). The best part is that 100% of the proceeds go directly to the NBCF!

Vic's Archery (St. Joseph, MO) has responded to the call and will be hosting an ***I Shoot For the Girls*** tournament on **October 24th at 2:00 pm.** The entry fee is \$20 and participants can be provided tax deductible receipts as 100% will be donated to the NBCF. Vic's Archery is requesting that participants contact Barbara Frazier to register EARLY, as the specialty targets must be ordered from SLG² very soon. If you want to register, make a donation or have questions, please contact Barbara Frazier at (816) 721-8962 or email her at ba@cpamo.com.

If you are interested in learning more about ***Shoot Like A Girl***, check out their website at www.shootlikeagirl.com.

Treasurer Jeff Friedmann resigns...

MBH members, back in June I took a new job and in doing so lost a lot of free time I had, so much so that I am unable to fulfill the duties of State Secretary. I've talked with Steve Christian (President) and Kathy Potter (Vice President) about my situation and Kathy has volunteered to take over the responsibility until January when the B of R meets. Kathy's information can be found in the front of the Release and all correspondence should be sent to her, I will continue to help out until the transition is complete.

Sincerely
Jeff Friedmann

Barbara Broyles, secretary for Cherokee Bow Hunters sent me several recipes. This one I plan on using in deer camp, if I can wait that long.

Venison Tips in Crock Pot...

- 2-3 lbs of venison cut into 1" cubes
- 1/2 cup chopped carrots
- 1/2 cup chopped celery
- onions to taste
- 2 cans of cream of celery soup
- 1 T. Worcester Sauce
- 1 T. Beef bouillon granules or 2 cubes of beef bouillon
- 1/2 cup water
- Dredge venison in flour, brown in oil, add to crock pot, after adding the rest of the ingredients
- Cook on high for six hours
- Use on potatoes , rice or noodles.

Thanks, Barbara

ABI Archery

ABI Archery will be starting a 450 Vegas league on Tuesday November 2nd. This league will run 7 weeks until December 14th. The first week will be to set everyone's average and teams will be set from that average. We will also shoot off of the clock just like a tournament. Cost for this league will be \$70.00 and we will pay back at the end of the league. Our range will accommodate 20 shooters, so we need to have reservations for this league; cubs are more than welcome we just need to know because we lose an adult lane when a cub shoots.

You can contact me at 816-419-2310 or steve8056@hotmail.com

Show Me Senior Games

Northside Archers St. Louis, Mo.

by Bob Brumbeck

We have started our indoor league with the 450 Round. We have a total so far of nine two man teams. A lot of fun so far. I have a student that I taught archery to this summer and he joined the indoor league. Turns out that he is my partner. I told him now it is alright okay to outshoot me. He probably will pretty soon.

As far as bowhunting my son-in-law has started out pretty good. He took a large doe the first day. I passed on a couple. When I got in from hunting that evening, he said, "Don't get too comfortable, we've got some dragging to do". Boy was that doe heavy. So, I waited until the third day and could not pass up the chance to try out that new Alphamax Hoyt bow that I won in the raffle 2009. I had found a full metal jacket arrow someplace. It had one nick out of one vanes, so I screwed an eighty five grain spitfire expandable tip on it and took the same doe that I had passed up two days before. Since then my son-in-law took an eleven pointer that will probably score in the one forties. Between him and myself, we are three up on his brother who is a fantastic bow hunter also. He said nothing like a little pressure.

Not too much else going on right now.

All of you bow hunters be careful out there. We had one young man take a fall of about twenty five feet. He is in the hospital right now. Sure hope he makes it alright.

Use them safety belts. Be safe and we wish everyone well.

Dick Wood Wins 2 Gold Medals at Huntsman World Senior Games

It's an old axiom; work hard and you'll be rewarded. That was true for Dick Wood of Sappington, Missouri who took home 2 Gold medals in the 3D and Target Archery competition at the Huntsman World Senior Games on October 5-8, 2010.

"This is my second year at these games and I come back because of the first class event that it is. I was able to set two new records and currently hold four world titles and have a total of four records in the Archery Competition", Wood said.

The Huntsman World Senior Games is a world-class, Olympic-format, international sporting event for athletes ages 50 years and older. Founded more than 24 years ago, the Games currently hosts over 10,000 athletes annually. Each October, for two weeks, the event is held in colorful St. George, Utah, less than a two-hour drive from Las Vegas, Nevada. At the 2010 Games, athletes will compete in 27 different sports and will host participants from all 50 of the United States and over 25 foreign countries.

"One of the things that makes this event so unique is that it is more than just a collection of sporting events," says Kyle Case, Huntsman World Senior Games CEO. "The Games is a total experience, so much more than just another sports competition."

The participants enjoy the Parade of Athletes, Opening Ceremonies, Concert and Celebration, Social Events, Banquets and Free Health Screenings, to name only a few of the additional activities that enhance the athletic experience. The Huntsman World Senior Games is truly a celebration of life after 50!

NORTHSIDE ARCHERY CLUB TUESDAY EVENING LEAGUE FAMILY

Usually on Tuesday evenings we either see the fawns on the range (with mama close by) or after done shooting and we are setting around shooting the breeze we will see the does or the whole family group. So far the buck has been camera shy but, I always have my camera at the ready.

NODAHO BOWHUNTERS, INC.

Jeanette Brookshier, Secretary

It was a fitting ending for our 3-D season as the weather was absolutely beautiful on September 12! Archers from around the area came – some regulars on the 3-D circuit, others getting their bows sighted in for the upcoming archery season. We felt truly appreciative as we had 139 archers (21 in the Cubs I & II classes)! I, for one, felt a little sad seeing 3-D season coming to an end, but it won't be long before we switch gears for the indoor season. Our first indoor league will start the week of Thanksgiving.

Here are the winners, full results can be found on our web site www.nodahobowhunters.com.

Cubs I	1 st	Keaton Francis	191
Side only score	2 nd	Dakota Damgar	156
	3 rd	Ashley Thompson	149
Cubs II	1 st	Trestan McGeorge	397
	2 nd	Madison Thompson	356 (7-12's)
	3 rd	Dakota Leeper	356 (6-12's)
Youth	1 st	Matthew Stotts	283
Female Traditional	1 st	Rhonda Hankins	213
Female Release	1 st	Marsha Criger	325
	2 nd	Teri Fosdick	303
Female Open	1 st	Cheryl Hamilton	344
Male Traditional	1 st	Quinn Talbott	309
	2 nd	Ryan Deskins	267
	3 rd	Willie Boyer	257
Male Fingers	1 st	Tim Randall	336
Male Release	1 st	Clint Wooten	405
	2 nd	Justin Graham	397
	3 rd	Rick Horn	382
Bow Hunter	1 st	T J Horn	407 (18-12's)
	2 nd	Joe Gardner	407 (15-12's)
	3 rd	Adam Grimes	406
Flight	1 st	Bryan Heckman	333
	2 nd	Todd Wilson	329 (7-12's)
	3 rd	Curtis Thomsen	329 (3-12's)

Male Open	1 st	Curt Criger	388
	2 nd	Brett Nelson	381
	3 rd	Donnie Graham	377
Senior	1 st	Larry Mincy	396
	2 nd	Charlie Crockett	374

Thanks to all who participated in our raffle for the Ruger 10/22 rifle - Congratulations to Richard Oldham of Stanberry, the lucky winner. In the FUN class, Richard Pivaler's name was drawn for the free shoot in 2011. Bill Brookshier, one of our resident auctioneers, conducted a successful used target auction following the shoot.

Nodaho Bow Hunters held their annual election of officers on September 15. Starting their duties on October 1 are Shawn Leeper, President; Jesse Camacho, Vice President; Connie Randall, Treasurer and Jeanette Brookshier, Secretary. Jeremy Mason was elected as B of R to the Missouri Bow Hunters and Kirk Patton, Outdoor Range Captain.

We wish to say a big "Thank You" to all who participated in Nodaho's 3-D season and wish you the very best if you take your "stick & string" to the woods for that deer or turkey. Be safe, hope to see you indoors soon!

The Passing of a Legend in Archery

In case you hadn't been informed, sad news arrived today from the staff and P & Y, that Glenn St. Charles passed away yesterday in Seattle, at the age of 98.

Copied below are some remarks from Roger Atwood, current Pres. of P & Y and M.R. James, immediate Past Pres. of the vibrant organization that Glenn founded nearly 50 years ago.

Glenn was able to be present with us in April of '09 in Denver for the P & Y Biennial Meeting. At then age 97, he was still witty, charming, and still had that omni-present twinkle in his eye. It was fun to hear Glenn again tell the story of that famous leather fringed coat that you will remember was Glenn's favorite.

Folks..... this decade has cost us some archery giants. There is a proper way that we can honor their pioneering efforts to make our sport what it is today. Each of us could resolve to take every opportunity to make certain that those bowhunters and archers under 40 years of age know and appreciate the accomplishments of those who have gone before us. Encourage folks to research and study what remarkable accomplishments were made by these giants.

submitted by Dick Wood

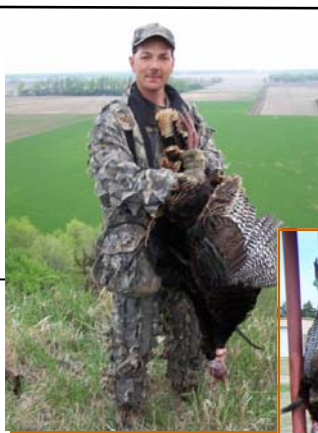

“The Pope & Young Club wishes to extend our deepest sympathy to the St. Charles family. This is also a tremendous loss for the entire bowhunting community. The Pope & Young Club lost a father figure. The bowhunting community, shaped by more than five decades of Glenn’s influence, lost a guiding force,” said Pope & Young Club President Roger Atwood.

A bowyer from the 1940s when modern-day hunting with the bow and arrow was still in its infancy, St. Charles became a staunch and driven advocate for the sport. His vision for bettering the image of bowhunting and proving the effectiveness of the bow and arrow...the very creation of the Pope and Young Club...was integral in the establishment of bowhunting seasons and the acceptance and popularity that bowhunting has since garnered. His work as Hunting Activities Chairman of the National Field Archery Association in the 1950s led to the development of the bowhunting records program, the subsequent founding of the Pope and Young Club in 1961, and the creation of a bowhunting ethical code and Rules of Fair Chase. His efforts and devotion to the cause of bowhunting spanned over eight decades. A legitimate iconic figure, St. Charles was one of the last true bowhunting pioneers.

M. R. James, President of the Archery Hall of Fame, and Past President of the Pope and Young Club, added “Glenn St. Charles will be remembered by many as a talented bowyer and founder of the Pope and Young Club. Rightfully so. But for his close friends and family, he will be fondly recalled a man who accomplished much more during a long and active lifetime. Father and father figure; fierce advocate and tireless defender of the sport he loved; pioneer bowhunter and visionary leader; outspoken conservationist; promoter of fair chase hunting; loyal friend and wise mentor; without question, Glenn St. Charles left his indelible mark on archery and bowhunting. He will be missed, but his place in our sport’s rich history is secure.”

SEARCH FOR 2010 PAUL JEFFRIES MBH SCHOLARSHIP WINNER!

If you are a current MBH member and have been for at least one year, you may be eligible to win a Scholarship Award through the Paul Jeffries MBH Scholarship program. Since the inception of this program in 2003, several MHB members have received recognition and financial assistance.

Even though the program is named after one of MBH's two founders; Paul Jeffries and Earl Hoyt, it is important to realize that funds have been donated to honor and serve as a memorial for several other Life Members; Ann Hoyt, Gene Towne and Dr. Charles (Bert) Grayson, who was awarded an Honorary Life Membership.

The focus of this program is to provide financial assistance to a worthy MBH member who is currently attending or planning on enrolling in a school of higher learning.

Although not written in stone, it is expected that you would be meeting the definition of the school, in regard to "full time student". Typically this is 12 or more credit hours per semester. A "school of higher learning" does not necessarily mean just a college or university, but could include a "tech" or other specialty school.

The scholarship amount will be applied to the student's individual institutional account to be used to help with expenses. The goal and purpose of this scholarship program is as follows:

- To provide a program that will permanently honor and recognize contributions made by MBH co-founder Paul Jeffries, as well as other outstanding individuals who have contributed to the sport of archery.
- To promote archery and bow hunting as well as to encourage others to hold membership in Missouri Bow Hunters.
- To recognize a new generation of leadership by awarding scholarships to assist these future leaders in their pursuit of higher education.
- To encourage positive ambassadorship for the sport of archery and the Missouri Bow Hunters Association

(cont. next column)

ADMINISTRATION OF THE SCHOLARSHIP PROGRAM

The committee serves at the pleasure of the current MBH President and he/she shall appoint no more than three MBH members to serve in addition to the President. A fifth committee appointment may be made, with that member being a member of Paul Jeffries family.

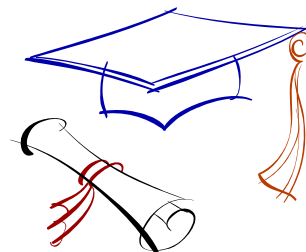

This committee shall convene for the purpose of reviewing scholarship applications for awards no more frequently than annually. The committee shall not be required to award any scholarships if (in their opinion) the applicants do not meet the committee's standards. The committee, being stewards of the funds, shall also decide the amount(s) of awards. Typically the committee, in the interest of keeping the funds endowed, will consider limiting the awards to no more than the previous period's earnings including donations raised by MBH clubs through special fundraisers or individual memorials/honors. Total annual awards do not typically exceed \$500.

It is expected by the committee that the applicant has been a MBH member in good standing for a minimum of one year prior to the application. The MBH Secretary will be asked to verify such membership.

Due to the current financial climate, the future of this program is critically dependent on donations. It is altogether fitting and proper for MBH Clubs and individual members to keep this MBH program in mind as a means for honoring those who have contributed to the sport of Archery. If you are interested in making a donation to the Paul Jeffries MBH Scholarship Fund, please contact the MBH Secretary at P.O. Box 108, Huntsville, MO 65259.

The Scholarship Committee is now accepting applications for this distinct honor. All applications must be post-marked or electronically submitted to the MBH Secretary no later than November 26th, 2010

The Scholarship Committee will convene and make their decisions after reviewing all applications. All application content will be kept strictly confidential.
