## Cherokee Bowhunters Traditional Shooters

Cherokee Bowhunters Archery Club is located in Southwest Missouri. Our archery range is located on Fort Crowder Conservation Southeast of Neosho about 7 miles, we have approximately 50+ members. The Missouri Conservation built us a new 30'X30' pavilion this year, we are told by those that come and shoot we have a great range. We take pride in how well we maintain it is. It takes a lot of mowing throughout the year by; Vernie, Roger Dobias, and myself.

We started the year with kids archery lessons at our local archery shop in early January and ran through mid March. Our archery club bought Genesis and regular bows along with the Mini Genesis, both right and left handed, so we could handle what the kids needed. We worked with them one night a week. There were as many as 20 at a session. One of our kids had MS. It was such a joy to watch as she shot the first arrow and hit the target, she let out the biggest giggle you ever heard.

We hosted a YMCA day camp for the kids K thru 5<sup>th</sup> grade, a lot of fun for the kids and us.

Our 3-D shoots started late March we shoot the 4<sup>th</sup> week-end March thru August.

We averaged between 125 attendees, our last one on March 22<sup>nd</sup> we had 189 participants. Our Traditional Shoot is March thru August.

*Featuring Southwest Missouri Archery Range—Cherokee Bowhunters*

*By Barbara Broyles, Secretary/Treasurer*

In May our club assisted with the Kids Fishing Day at Roaring River at Cassville. We will have several hundred kids come through the archery part of it. We have 3 Field Shoots every year they are in May, June, and July, unfortunately as other field shoot. We anticipate a better draw in the future. Roger Dobias puts a lot of effort into this shoot.

In October our archery club will be at Barnyard Days, with bows for the kids to shoot. This will be our 4<sup>th</sup> year, last year we had approximately 350 kids attend and visit our booth in 3 days. A busy week-end, but it is a lot of fun and very rewarding.

If anyone would like a little more information about our club, check out our website: [cherokeebowhunters.org](http://cherokeebowhunters.org)

Thanks MBH for this great opportunity to share about our club.

**SUMMIT ARCHERY CENTER (Exp.2.28.10)** 1168 Decker Rd, Gray Summit, MO 63069. Owner: Jeff Friedmann (636) 742-2531)

## A message from your President ←→

MBH lost two longtime members last month. Jerry Adams and Jim Lane. Jerry hosted radio and television shows and was quite the outdoorsman. Jim was a long time member of MBH and held many State and National titles. Both men will be sorely missed, but their impact on MBH and anyone they came in contact with, will live on for a long time.

The 2010 State outdoor championships were hosted by Independence Bow hunters on Aug. 7&8. As usual it was hot. As usual IBH did a fantastic job hosting the tournament again. 39 archers competed, some of the regulars were no

shows, but there were a lot of new faces that showed up to even things out. The results, as well as some pictures, are posted on the website and facebook. Check them out. Dan Novak was the lucky SOB that won the PSE X-force bow that was raffled off Sunday after the shoot. It was purely a coincidence that Dan's youngest Daughter Paige drew his name from the box! A special thank you to PSE and Archery Quest Pro shop in Springfield and Summit Archery for donating the two PSE bows that were raffled off this year. Remember, support those who support MBH!

I am excited to announce that the MBH-NFAA State Championship will be November 28th. In order to make this shoot available to as many people as possible, we are going to try something new. This shoot will be held at several different locations around the state. This will be a one day shoot. The Vegas 450 round will be shot. That means 15 ends of three arrows shot at the "Vegas" multi-colored target. As of now, there will be 3 locations available. ABI archery range in Claycomo. (KC area), Summit Archery Center in Gray Summit (St. Louis area), and Indian Trail Archery in Salem. We are still working on a couple of other location. All the details will be published in the October Release and be posted on the Website as well as Facebook. You must be a MBH and NFAA member to shoot this tournament.

Last year at the Missouri Deer Classic I watched several successful hunters picking up their game pins and a few that were presented with plaques and a Remington hunting knives. Just because they took the time to fill out and submit a game report after a successful hunt. This is one of the many benefits of belonging to Missouri Bow Hunters. All the forms are available of the website. The rest is up to you.

Good luck this season and be safe!

*Steve Christian, President*

Well our summer outdoor Field league is over. The winner for the month of May was Brian Dufaux, and Don Will 2nd place. The winners for June were Bob Sieg 1st place and Bill Myers 2nd place. Only one tenth of a point separated these two. The winners for July were Brian Dufaux 1st place and Bob Brumback 2nd place. The winners for August were Brian Dufaux 1st place, and Bill Myers 2nd place.

We had a great outdoor season, even though we had only a couple nights of rain-outs and a couple of heat-outs. We figured with all of the rain that the mosquitoes were going to be really bad, but not much of a bother this year. The woods spiders sure were bad this year. It seems like by the time a person went around and put up targets, then came around to shoot, the webs would be right back up again.

I would like to say a little about MBH membership. This like the NFAA is a good organization to belong also. We really need to sell the bow hunters out there on becoming members of the MBH. Of course all of you that get this magazine are probably already MBH members, so let's all try to get one more person that we know who is a bow hunter and tell him why it is important to belong to the organization. Tell the new person that because of MBH they now have longer bow seasons, more tags available, and a great Large and Small Awards program headed up by Jack Davis.

What we need to do is to go out and try to tell others a good reason for becoming an MBH member. This article will not do it, because you are already members. So what we must do is inform the average bow hunter and also target archer of the things that MBH has done for the bow hunter. Such as, more liberal seasons and longer deer and turkey seasons. I think that our MBH has gotten many things for the average bow hunter that they do not realize. If anyone can think of anything else for heaven sake get out there and tell the non-MBH bow hunter population and share it with the rest of us.

Well not too much else right now, so until the next time may all your tracks be filled with Pope and Young animals. And by all means, wear that safety harness while up in those tree stands.

Greetings my bow shooting friends! It's been an amazing summer in target archery. Even though the temperatures have been ridiculously hot, I have heard from several clubs that the attendance at the shoots is great. This is a testament to the loyalty of everyone in the "Brotherhood of the Bow." We need to keep up the loyalty and participation into bow season. I have an undeniable feeling it is going to be an incredible bow season this year. I just want to remind everyone to please wear a safety harness while hunting in a tree stand this season. I want to see all my fellow shooters back next 3-D season. By the time you get this copy of the *Release*, bow season will have started or is just a few days away. I am already starting to get the jitters! I have seen some amazing trail cam pictures from some of my fellow hunters. I know everyone is ready for some tasty backstraps, be sure to report your kills to Jack Davis. I am sure he would appreciate the information in the Large and Small Game Reports, as well as any recipes that are your favorites. It is a lot of fun to share what you do with your venison.

This is the time of the year when we can get away from the stresses of life, relax and enjoy God's creation. This is the time when we can go into the woods and take a deer to help fill the freezer for the winter with the irrefutable greatness of the perfect meat, venison! This is the time to challenge yourself and test, your hunting and archery skills that we have been working on over the summer. This is the time to join together with your friends to enjoy a hunt or a story of the one that got away.

In conclusion, make sure to enjoy all the elements of the hunt, even when you're not in the woods. Converse with fellow hunters, spend time with family, and always stand proud for what you do as a hunter. We are the biggest conservationists of all. Both physically and financially. Introduce others to the sport and to MBH and all that MBH does to support the bow hunter.

See you next time.

## Vic's Archery... Stepping Up!

Do you *shoot like a girl*? Well if you've seen some of the ladies competing in our State Championship tournaments...you might just

wish you were able to shoot like one! This is also the name (abbreviated as SLG<sup>2</sup>) of a business started by Karen Butler, just a few short years ago. The mission of the business is to empower women to participate in shooting sports with confidence! This year, SLG<sup>2</sup> kicked off the **I Shoot for the Girls** tournament promotion to raise money for the **National Breast Cancer Foundation (NBCF)**. Archery Shops, Groups, Clubs and Leagues who participate with 10 or more archers will receive incentives. The shoot is from 18 meters, four arrows for ten ends, max score 400 on a specially designed target. There are 3 divisions (Men, Women and Youth). The best part is that 100% of the proceeds go directly to the NBCF!

**Vic's Archery (St. Joseph, MO)** has responded to the call and will be hosting an *I Shoot For the Girls* tournament on **October 24th at 2:00 pm**. The entry fee is \$20 and participants can be provided tax deductible receipts as 100% will be donated to the NBCF. Vic's Archery is requesting that participants contact Barbara Frazier to register EARLY, as the specialty targets must be ordered from SLG<sup>2</sup> very soon. If you want to register, make a donation or have questions, please contact Barbara Frazier at (816) 721-8962 or email her at [ba@cpamo.com](mailto:ba@cpamo.com).

If you are interested in learning more about *Shoot Like A Girl*, check out their website at [www.shootlikeagirl.com](http://www.shootlikeagirl.com).

## 2010 MBH STATE OUTDOOR CHAMPIONSHIP

*Hosted by Independence Bowhunters*

The MBH State Outdoor Championship hosted by Independence Bowhunters on August 7th and 8th. This was an NFAA sanctioned championship and we were pleased to see that attendance was up this year. A total of 40 shooters came out braved the heat and compete in this annual event. Worth noting that the highpoint traveling trophy for Adult Male Freestyle went to our very own Steve Christian! The results on the next page. We had a lot of fun and the pictures show it!!

# NODAHO BOWHUNTERS, INC.

Jeanette Brookshier, Secretary

We had a HOT day for our August 8 Appreciation shoot, that didn't stop 170 dedicated archers from participating! THANKS ALL! After the archers came off the range, many stayed to play games, relax in the shade and wait for the awards. Thanks to many area businesses and individuals, we had plenty of prizes to give away by drawing scorecards out of a box. We had so many prizes, in fact, that we had to start over!

Tom (Big Bird) & Jenell Ciak, owners of Big Bird's Bait & Bows in Maryville had a special drawing for the Cubs I & II classes – a brand new, set-up Mathews Ignition bow!! Conner Vest's name was drawn, and he was one excited little boy!! What a thoughtful and generous gesture by the Ciak's.

Bill Brookshier, Rick Horn, Jeremy Mason from Nodaho and Ed & Marsha Criger from NWMAC participated in the Show Me State Games Target Archery competition at Stevens College Park in Columbia on July 24. If you are not familiar with the format, 30 arrows are shot at 60, 30, 50 and 30 at 40 yards. When you consider the warm up round, that's a lot of arrows!!! When all was said and done, Rick took 1st place in Compound Senior Male age 55-59 division, Bill took 1st and Ed 2nd in Compound Senior Male age 60-64 division, Marsha, 1st in Compound Fingers Senior Female age 50-54 division. Steve Christian and Kathy Potter were there plugging away for the MBH!

Nodaho Big Bird (Tom Ciak) presenting Conner Vest a "Mathews Ignition Bow" donated by Big Bird's Bait and Bows.

Here are the winners of our August shoot, full results can be found on our web site, [www.nidahobowhunters.com](http://www.nidahobowhunters.com).

Cubs I	1 <sup>st</sup>	Dakota Gross	181
(A side only scored)			
	2 <sup>nd</sup>	Aerial Rutherford	176
	3 <sup>rd</sup>	Jacob Flint	175
Cubs II	1 <sup>st</sup>	Dalton Larison	405
	2 <sup>nd</sup>	Brandon Newton	361
	3 <sup>rd</sup>	Drake Polsley	340
Youth	1 <sup>st</sup>	Stephen Schniedermeier	273
	2 <sup>nd</sup>	Matthew Stotts	261
Female Trad	1 <sup>st</sup>	Rhonda Hankins	146
Female Release	1 <sup>st</sup>	Terry Graham	289
	2 <sup>nd</sup>	Shelly Marriott	282
	3 <sup>rd</sup>	Tasha Thompson	279

Male Trad	1 <sup>st</sup>	John Carroll	328
	2 <sup>nd</sup>	Quinn Talbott	292
	3 <sup>rd</sup>	Randy Hankins	252
Male Fingers	1 <sup>st</sup>	Tim Randall	307
Male Release	1 <sup>st</sup>	Clint Wooten	403
	2 <sup>nd</sup>	Billy Mace	399
	3 <sup>rd</sup>	Mitch Larison	388
Bowhunter	Championship Flight		
	1 <sup>st</sup>	Chris Leidy	414
	2 <sup>nd</sup>	Joe Gardner	402
	3 <sup>rd</sup>	Jonathan Flint	384
First Flight	1 <sup>st</sup>	Scott Jackson	319 (8-12's)
	2 <sup>nd</sup>	Mitch Gallagher	319 (2-12's)
	3 <sup>rd</sup>	Ron Marriott	315
Senior	1 <sup>st</sup>	Bill Brookshier	397
	2 <sup>nd</sup>	Stan Harmon, Sr.	390
Male Open	1 <sup>st</sup>	Jesse Camacho	403
	2 <sup>nd</sup>	Charlie Smiley	396
	3 <sup>rd</sup>	Brett Nelson	388 (11-12's)

In the Fun class, Alissa Graham was the winner of the free shoot, Chris Leidy, Billy Mace were paired in the Money Class won with an impressive combined score of 813.

Our night shoot August 7 was once again a "hoot", with laughter from the "A" Range in the woods! Dakota Leeper came in 1st in the kids class, Brandon Redmond the winner in the compound division, Rick Horn triumphed in the traditional class (not bad for a guy that doesn't shoot traditional).

Bill Brookshier attended the Missouri Archery Assoc State Outdoor Championship in Moberly August 21. The format was different this year, they had the State competition in the morning (72 arrows at 70 meters) before lunch and then having an Olympic Round – Set Match Play in the afternoon. It was a good time, and Bill ended up finishing 1st in his division with a score of 651.

It is hard to believe that we only have one more 3-D shoot of the season on September 12, after which we have our annual used target auction. Some of the guys are seeing respectable deer on the trail cameras, hope they stick around. I am looking forward to cooler weather that the Fall Season brings. Till next time, be careful out there and use those safety harnesses!

Nodaho Club Members Shawn Leeper and Jesse Camacho with Cubs I Participants

# LARGE & SMALL GAME COMMITTEE

By Jack Davis

While some members already have filled at least one of their deer/turkey permits by the time one reads this article, I doubt that I'll have any reports

to publish. But since this is bowhunting season, I feel an article is in order.

This will be brief, for as many of you know, I'd rather bow hunt than write hunting articles.

In today's deer hunting world, trophy hunting has taken the lime light. There isn't a hunting magazine that one reads that doesn't have an article on food plots, Quality Deer Management (QDM) or how to harvest that buck of a life time.

For the novice bow hunter, one might not know how Missouri stands in the ranking. Much has been written on Kansas, Iowa and Illinois for trophy bucks, but don't cut Missouri short. In Brad Herndon book "Mapping Trophy Bucks", he stated Missouri ranks #6 for the number of Boone & Crocket (B&C) bucks and #8 for the number of Pope & Young (P&Y) bucks.

In his publication, he listed the top trophy counties in Mo. #1 Boone Co., #2 St. Louis Co. #3 Jackson Co., #4 Putnam Co. #5 Macon Co. Since the copy write was 2003, I might question how these counties currently rank, but it is interesting to observe that the top three counties at that time also had urban hunts.

As the listing goes, Randy Simonitch has the #2 ranking Non-typical P&Y 33pt. 269 7/8 taken in Pike Co. in 2000. In Herndon's publication, he stated that Mo. had 36 bucks that qualified for P&Y non-type over 170. Since this publication is several years old, I checked with the listings in Archery Big Bucks of Missouri (ABBM) and discovered that there were 71 over 170 and 19 over 190 P&Y.

Arron McCauley has the #1 P&Y Typ in Mo. with a 10 pointer at 191 4/8 taken in St. Louis Co. in 1999. I remember talking to Arron at the Columbia Deer Classic in 2000. He stated he had a small tract, less than 20 acres in west St. Louis Co., to hunt on. What was interesting was, that he stated from his tree stand he could watch people walk in and out of Dillard's Department Store at the shopping mall. According to ABBM, there are 23 P&Y Typ over 170. Not a bad indication of what can be taken.

In 2007, in my home county of Camden, there was a 223" B&C non-typ, gross score, killed in early Oct. by a hunter, John Shelton, using a cross bow. I only mention this because it was killed, by the crow flies, 1/4 mile from my house. Never know where these trophies will show.

After working the Saturday Columbia Deer Classic, it has been customary for a gathering to relax, enjoy a good meal and sprits at a local eating establishment. There could be as few as twelve or as many as thirty. I mention this only because it gives me a chance to talk to any bow hunter's good friend and President of ARRM, Don Roper and his wife Claudette. Don might be considered by some as the Grand-father of Bow Hunting Education in Missouri. For he was teaching this course on his own long before the Mo. of Conservation (MDC) got involved. Don is also a B&C and P&Y official scorer. When a potential world record is to be scored, Don is on the panel to be one of the judges. Bottom line, he knows his bucks! At the last gathering, he was telling me how five years ago, if a 150 class was brought thru the doors, heads would turn. Not any more, he stated that there are many in the 170-180 class on a regular basis. And if someone thinks the point restriction isn't working, have him/her talk to me. As always it is a joy to talk with Don.

So with all that being said, it will be interesting to see how MO will rank in future years. As for me, I hunt the trophy bucks during the rut, but I enjoy the good lean meat of those does.

If you have a tract of land with only two doe fawns, two yearling does, and adult does and every doe is bred yearly, five years later you would have almost 100 deer on your property! This is without any hunting or natural deaths occurring. Source: Whitetail News, Vol 20 - Just thought you'd like to know, Til next month,

Jack

PS.... I'm still looking for new recipes.

## VENISON - Marinade

by jack davis

Every cook is looking for a good venison marinade.

- |     |                      |
|-----|----------------------|
| 1/2 | cup dry red wine     |
| 1/2 | cup chopped onion    |
| 2   | tbs olive oil        |
| 1/2 | tsp thyme            |
| 1/4 | tsp salt             |
| 1/4 | tsp coarse pepper    |
| 1   | clove garlic, minced |

Mix together. Pour over meat in plastic bag and knead mixture together. Marinate at room temperature for 30 minutes or in the frig for about 6 hours.

## St. Louis Bowhunters St. Louis, Mo.

by Bob Brumbeck

Well, by the time you read this deer season will be open for bow hunting and some of you will already have deer in the freezer.

We would like to thank everyone that came out to our August 29<sup>th</sup> 3-D shoot. We had around seventy some odd shooters. We hope everyone had a good time. I am only going to publish the first one, two or three names in each division at the most. Some of the winners are as follows:

### Cub

Brandon Bennett  
Sam Bennett

### Junior Cub

Bryan Falls

### Mens BH Freestyle/Release

Bill Willman  
Mike Johnmeyer  
David Hamm

### Mens Freestyle Open

Mike LaRowe

### Traditional

Tim Besmer  
Derek Stevens  
Bob Gisi

### Womens BH Freestyle/Release

Gail Starks

### Youth Male

Shane Dowell

I hope I didn't miss anybody, if I did I am truly sorry. If you have any suggestions on how we can make our shoots any better we are always open to your suggestions. You are the customer and you are the ones we must please. I know that it's a new place, but I think that we can grow. And the more of your friends that you can get to come out, the more competition and fun you will have.

We would like to thank the people behind the scenes that do the backbreaking job of putting these shoots on. I know it is one heck of a lot of work.

Be sure if you live around the St. Louis area check on our indoor leagues. We have everything from target to bowhunting leagues. A great range with a new wall and a great place to shoot.

Until the next time may all of your arrows find the sweet spot.

We all like to take photos at "Once in a lifetime events". Here are some tips to ensure that your photos are as good as possible.

1. If you are the "official" photographer for an awards event announce before the event that you want everyone that receives an award or prize to face the photographer (you) for at least 2 photos. Many times we see a photo of the back of the award recipient.
2. Shutter speed setting should be at least 1/100 second.
3. If it's a sunny day set your camera to FORCE the flash to fire (if possible) to lighten shadows. However not effective on large groups.
4. Keep distracting elements out of the background. If you have to move recipients to another location you will appreciate the extra seconds spent.
5. ISO settings should be 400 or less.
6. Have your subjects be the same or similar distance from the camera.
7. Take 2 photos of everything.
8. Have extra batteries on hand.

Before the event starts take some "practice" photos to ensure the best possible results. An extra 5 minutes spent will result in better photos and reduce your stress level.

"Hero" trophy bow hunting photos.

1. Sunny day? Force the flash to fire.
2. Take photos both forcing the flash to fire and not fire.
3. Cloudy day? Force the flash to fire.
4. Take photos both forcing the flash to fire and not fire.
5. Clean excess blood from trophy.
6. Put tongue back in mouth.
7. Tuck legs under trophy.
8. Check for small weeds/branches/etc between the camera and the trophy. These small items will be very bright when using flash and also very distracting as they will probably be out of focus also.
9. Do not "sit" on your animal.
10. Isolate the antlers against a non distracting background. The sky is perfect.
11. Photos should be taken in the trophy's natural element. No photos in the back of the truck!!!
12. Smile

Take your time. You may never get another trophy like this.

Good Luck & Good Hunting!
