WILD IDEA ARCHERY (MBH-NFAA 11-1-12) Joey McNish, BofR, 822 SteelSt, Seymour, MO 65746, 417-935-2348

A message from your President

Success is not always measured just by the numbers. This year's MBH 3D State Championship was hosted by Carroll County Bow Hunters.

While the attendance was down a little from last year, the feedback that we received from the shooters was outstanding. There were 59 archers that competed for over \$700 in prize money, trophies, and championship belt buckles. The common consensus was that the range was very challenging, but set up like a championship tournament should be.

Everyone liked the fact that the Board decided to go back to the two day format. Jerry, Bob and the rest of the crew at Carroll County did a great job hosting this event. It's not very often that we get to work a tournament for two days and not hear one complaint!

We've received word that MBH/NFAA member Jason Thompson and daughters Madison and Ashley lost their home to a fire on Sunday, Aug 19. Some of you may remember this family from our State Indoor championship back in March. Ashley won Cub Limited, Madison won Youth Limited and Jason won the Bow Hunter Free-style Limited divisions. They also participated in the team event. Luckily, they were not home at the time and nobody was injured. They lost everything, however... including ALL their archery gear. It is my understanding that the insurance will fall far short of covering all that was lost. If your organization is interested in helping out, please send donations directly to the family at: Jason Thompson 2490 132nd Street, Hopkins, MO 64461 You can also reach Jason in the evenings at (660) 541-1610. People are always asking for help, here is the perfect opportunity to help one of our own. MBH is more than hunting and target archery. It's about building friendship and supporting each other when we need it the most. Our members have always stepped up when needed. It certainly makes me proud to be a member of this organization.

Bow season is within reach. At the risk of sounding like your mother, please be careful!!! There have been several reports of hunters falling out of their stands the past few years. There is NO excuse for not wearing a safety harness when you are hanging off the side of a tree, 20 feet in the air. One would think that it was the young, inexperienced hunters that make this mistake, but the reports that I have gotten are about older, more experienced hunters that get careless and find themselves bouncing off the ground.

There is a new game award program this year. Jeff Blystone has some very special awards for successful hunters. Although, he is not going to track you down to find out if you scored or not. The game forms can be found on the MBH website. If you are successful, please take some time to submit a game form to Jeff.

Good Hunting to all,
Steve

It's Finally Here!

Ladies and gentlemen, without further hesitation, bow season is finally upon us! I don't know about anyone reading this, but September 15th has taken much too long to get here! A year of prepping hunting areas, hanging tree stands, checking trail cams, time spent staring at the vast array of broadheads trying to decide which to shoot with, days spent on the 3D range, and the countless practice shots all just for a 10 second window of time to get a shot at a deer or turkey is soon to hopefully become more than worth it. That rush we feel when a deer is within range is what drives us. The prospect of fresh venison filling our freezers motivates us. The great times with friends and family that are brought forth due to the sport of hunting is our reward. Bringing new hunters to the woods and seeing them come alive with excitement after a close encounter with wildlife is our future. Neither does it matter if you are a doctor, lawyer, carpenter, or business owner, anyone can be successful

with a little work, motivation, and faith. The perseverance of a bow hunter is one to be respected. Waiting weeks, months, and possibly years for that perfect situation to attain the trophy they are after, whether it is the first deer or turkey taken by archery equipment, a deer to fill the freezer, or the buck of a lifetime. Rarely do we find this kind of dedication in today's society. Sitting in a tree stand in the beautiful outdoors that the Lord has blessed us with tends to be two parts therapeutic and one part the refreshing recharging of our internal batteries. Just think what a little time in the stand would do for someone too stressed about work or family or caught up in hard times. Think about how some of our leaders would look at things a little differently if they spent a few days in deer camp each fall. Think about how hunting could change the life of a young person and how it could sculpt their character. Maybe it should become more preva-

lent in this crazy world we live in? I think yes, my friends. Take some time this bow season to get out in the woods. Make sure that bow is shooting fine and put on that camouflage that's been sitting in the closet all year. Head to the local archery shop and talk about bow hunting and share stories about the experiences you've had. Enjoy God's creation and celebrate the great tradition of hunting! With that being said, have a safe and prosperous 2012 archery hunting season! Aim Small and God Bless
Cole Duensing

NODAHO BOW HUNTERS, INC

Nine Nodaho members traveled to compete in the Show Me Games held July 28 in Columbia at Stephens Park. Bill Brookshier and Jenell Ciak took Gold medals in their divisions while Jerry Brookshier, Rick Horn, Stan Harmon, Jr. and Richard Pivaler took the Silver medals in their classes. Tom Ciak, Jeremy Mason and Trestan McGeorge also shot well in their respective divisions. It was a lot of shooting and a lot of fun – I believe they said they had 110 participants this year, quite an impressive sight to look down the line of archers.

We also had our annual Appreciation Shoot/ Night Shoot/Camp-out the weekend of August 11 & 12. Campers started to arrive on Friday afternoon to set up and start enjoying the beautiful weather. Special thanks to Shawn & Dakota Leeper, Bill Brookshier and Chris Morrow for getting the camp site ready in the pasture across from our range. Connie Randall took charge of the grilling duties and everyone brought a dish to share for a delicious meal that evening. Saturday morning we enjoyed a wonderful breakfast of coffee, biscuits and gravy, bacon and scrambled eggs thanks to the efforts of Connie Randall, myself and Glenys Morrow before heading out to the range to set-up. As more campers arrived, we grabbed our recurve bows and were off to the pasture to play archery

golf on the nine-hole course we set up using tiling poles with flags and Styrofoam blocks for the holes. Two man teams were randomly drawn and we were off! I'm sure we were a sight - a bunch of people running around in the pasture shooting with bows and arrows and riding 4-wheelers, gators, & golf carts – no wonder we got funny looks from those driving by! It was so much fun, though, we played another game after lunch! Saturday evening another delicious meal was shared (why is it things just taste better when you are in the great outdoors) before heading to the range for the night shoot. Thirty-six archers competed using flashlights to nock arrows and walk, but when it was time to shoot it was lights out – tiki torches were lit beside the targets as the only light to shoot by. To top it off, it was cloudy and lightly raining off and on, so it really was dark in those woods! After all the laughing, joking, exclamations and score tallying, Quinn Talbott came out ahead in the adult division and Ben Hornbuckle on top in the kids division.

143 archers came to participate in our annual appreciation shoot on August 12. Thanks to the generosity of many businesses and individuals, we had lots of prizes to give away following the shoot. Shooting 400 and over were Bob Thompson in the Senior Class with a 400; Mike

Mooney, a 402 in the Bow Hunter class; Clint Wooten, a 405 in Men's Release and Charlie Smiley a 404 in Men's Open. Complete results of this shoot and the night shoot are listed on our web site www.nodahobowhunters.com, or "like us" on Facebook. Alyssa Graham won the free shoot in the FUN class and Charlie Smiley and Jesse Camacho were drawn as partners to win the money shoot. Following the trophy presentation, Big Bird (a/k/a Tom) Ciak drew Talon Reidel's name from the score-cards of the Cubs I and Cubs II classes to present him with a brand new bow – he was one excited youngster!

We are so blessed to have so many members who are willing to do the dirty work – mowing, setting up, tearing down, cooking and just anything to pitch in and help. I don't dare name names for fear of forgetting someone, but a big THANK YOU goes out to them all.

Don't forget our final shoot of the season followed by our used target auction will be September 9 – we'll also be doing our raffle drawing for the Browning semi-automatic .22 rifle. Hope to see you there!

Jeanette Brookshier, Secretary

LARGE & SMALL GAME COMMITTEE

Here they are! Missouri Bowhunter Association's Top 2 Deer Kills!

MBH All Time P&Y Typical Bucks'.

The #2 buck was killed on the evening of November 10th 1997 by Marcus Milligan in Bates County. The 220 pound 10pt giant scored 173&2/8 P&Y. The G2's on that deer measured 13&1/2 on the right and 14 inches on the left. The G3's were 12 and 11 inches! The antler bases were 5+ inches! The very symmetrical rack only had 4&2/8 inches of deductions. Marcus shot that deer from a blind at a distance of 30 yards. A 65lb Martin compound bow paired with aluminum arrow and Satellite broadhead through the ribcage brought him down within 150 yards after the shot.

The All Time #1 MBH Buck was harvested by Jim Holdenried on November 11, 1982. The 11pt monster scored 173&7/8 P&Y! Jim shot that buck at 4:05pm on state owned land in Pike County. Jim also used a Satellite broadhead and an aluminum arrow from his Hoyt 66lb compound bow. A tree stand shot of 20 yards while the deer was running by caused the demise of the 180lb buck. The G2's on this buck measured in at 14 plus inches and the G3's were 10&6/8 on the right, 12&6/8 on the left. This buck had slightly smaller mass measurements than the #2 buck but made up for it in main beam and tine length to become #1!

MBH All Time P&Y Non-Typical Bucks'.

The only record I can find of the #2 all time non-typical is a one line sentence telling me that Dave Reid killed a buck that scored 188&6/8 in Adair County back in 1991. I wish I could find out more about that deer. So if anyone knows Dave's story please past it on to me so I can give Dave & his deer the proper recognition.

According to the records that were passed on to me the MBH #1 All Time Non-Typical was taken at 3pm on November 14, 1982 by Dennis Jones. The 21pt buck scored a whopping 194&7/8 P&Y. Dennis shot that deer from a treestand in Warren County at 5 yards with his 57lb PSE Lazer Mag compound launching an aluminum arrow with a Wasp broadhead. The mainframe 8 had long beams and tines with sticker points everywhere.

MBH All Time Big Does'.

The # 2 Doe was taken on State land in Livingston County by Jerry Decker at 7:00am on November 6, 1986. The big doe's field dress weight was 170lbs! Jerry was in a treestand with his 54lb York compound bow and made a 17 yard shot. The Thunderhead broadhead on an aluminum arrow did the job.

Accomplished big doe killer Brian Jones tops the big doe list with his second entry into the top ten list. In Clinton County Brian arrowed a huge doe that was weighed on the scales of the Robison Elevator Company in Lathrop, Mo. at 180 pounds! Brian used an XI Legend compound bow set at 65lbs with Easton 2314 arrows and a Satellite broadhead to kill the doe from a treestand at 20 yards on December 22, 1996. They sure grow them big in Clinton County! Congratulations to all of the bowhunters on the All Time List!

Over the last 5 months we have counted down the MBH Top Ten Deer and I am looking forward to seeing more big deer reports to come in this season. Remember you don't have to make the top ten list to get an award. Each season MBH gives awards to the biggest deer killed for that season so be sure to send in your large game reports. You can find an official Pope & Young scorer by looking at the Archery Big Bucks of Missouri website at www.archerybigbucks.com and clicking on Official Scorers. They are listed by county with their phone numbers. You can also find one at www.pope-young.org under the Records Program tab. Also remember that starting this season MBH will be giving a newly designed Large Game Pin to anyone that completes a Large Game Report. Fill it out online at the MBH website under the Game Awards tab or send one to me by mail and I will send you your new pin. Please include a picture of your harvest if you can, I really like seeing those photos and it may get published in the newsletter.

Happy Bow Hunting

Big Fish Kill- biggest fish kill by weight (all legal species included).

Longest Gar Kill- measured in inches to the closest 1/4".

Deadline for all entries will be March 1, 2013.

I hope this will encourage you to submit your game reports and pictures this year. We all love to see those pictures and I am sure you are proud of your accomplishment as you should be. By the way here is what the new game pins look like.

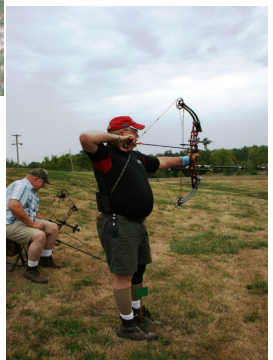

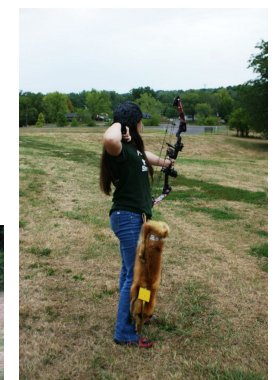

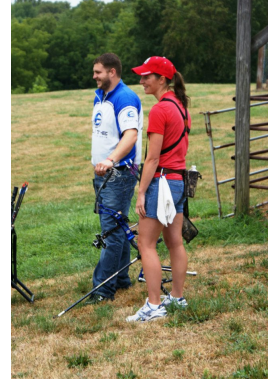

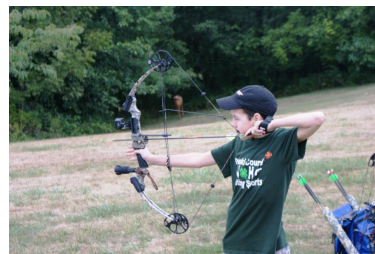

Happy Bow Hunting

News From The Stump....

By : Kathy Potter
NFAA Director- Missouri
potter.mbh@cvalley.net

Another competitive archery season is finished and in the books! Thanks to everybody that participated at the local, State, Sectional or National levels. Local clubs, state and national organizations depend on your participation at these events to keep the doors open! Congratulations to all the Shooters that took home trophies and checks. A very SPECIAL congratulations goes out to Shooters that participated in a competitive event for the first time. There were many of you and I sincerely hope that we'll see you again!

If you are in college, have kids that are attending or plan to attend... scholarship applications are currently being accepted for the Easton/NFAA Joint Scholarship program! There is a wide variety of scholarship types for all ages and amounts range from \$500 to over \$20,000! You can access the application via the NFAA website at [www.](http://www.fieldarchery.org)

[fieldarchery.org](http://www.fieldarchery.org). The deadline is December 31st, 2012. Winners will be announced at the Vegas Shoot in February.

Our heart goes out to NFAA/MBH members Jason, Madison and Ashley Thompson as they rebuild from the fire that consumed their home in August. Whether it's a monetary donation, equipment donation, clothing or the gift of prayer... I know this family will be most appreciative. Please see Steve's article on page 2 for contact information.

For those of us that coordinate and work tournaments, this is our time to take a breath and get a short rest before things fire up. For Shooters, it's that crazy time where we transition from competition setups to hunting rigs. Don't let those competition bows get too dusty though, the in-

door season will be firing up before you know it!

Hope everybody has a safe and prosperous archery hunting season! Please don't forget to take advantage of the MBH large and small game award program managed by Jeff Blystone. It's a great opportunity to showcase your hunting skills and it will be getting lots of press over the coming months!

If you interested in developing your shooting skills, growing your knowledge of the sport or just want to start thinking outside Missouri state boundaries... please consider becoming part of the NFAA family! Visit www.fieldarchery.org for details or reach out to me.

Until next month...God Bless!!

**NODAHO BOW HUNTERS, INC.
BENEFIT 3-D ARCHERY SHOOT &
FLEA MARKET
SATURDAY, SEPTEMBER 8, 2012**

Nodaho Bow Hunters is holding a special benefit shoot & flea market with proceeds to go to members Jason Thompson & daughters Madison (age 13) and Ashley (age 11) who lost all of their belongings (including archery gear, guns, fishing equipment & other sporting goods) to a house fire on August 19.

3-D SHOOT:

Trickle start 8:00 – 11:00 am
Scorecards in by 3:00
40 targets – Mostly McKenzie
Results announced, but no trophies as this is a benefit shoot
\$10 Adults & Young adults - \$5 Age 13 & under
Concession on grounds

FLEA MARKET – starts at 8:00 am

Bring your used/new archery or sporting goods (fishing, hunting, etc) items you don't use any more.
We will sell it and donate the proceeds to the Thompson's
(You can either price it yourself or we will do it for you – anything left we can give to them or you can take home)
For larger items (bows, etc) – 20% commission to the Thompson's

***This family loves to shoot archery, hunt and fish – as Sportsmen, let's help them through this difficult time.
Don't shoot archery or have anything to sell?? Come anyway to donate, shop the gear & or eat!***

St. Louis Bowhunters

Well, by the time you read this deer season will be open for bow hunting and some of you will already have deer in the freezer.

We would like to thank everyone that came out to our August 26th 3-D shoot. We had around sixty one shooters. We hope everyone had a good time. I am only going to publish the first one, two or three names in each division at the most, because there would not be enough room to put everyone.

Some of the winners are as follows:

Cub (6)

Dane Stucky 1st
Nicholas Whitaker 2nd

Junior Cub (1)

Ethan Heck 1st

Mens BH Freestyle/Release (40)

Adam Emge 1st
Lonnie Nicholas 2nd
Scott Terrell 3rd
Mike LaRowe 4th

Mens Freestyle Limited (2)

Eric Reinhard 1st

Mens Freestyle Open (4)

Adam Wilson 1st

Traditional (1)

Norm Moore 1st

Womens BH Freestyle/Release (3)

Gail Starks 1st

Youth Male (4)

Conrad Schaumberg 1st

I hope I didn't miss anybody, if I did I am truly sorry. If you have any suggestions on how we can make our shoots any better we are always open to your suggestions. You are the customer and you are the ones we must please. I know that it's a new place, but I think that we can grow. And the more of your friends that you can get to come out, the more competition and fun you will have. We would like to thank the people behind the scenes that do the backbreaking job of putting these shoots on. I know it is one heck of a lot of work. Be sure if you live around the St. Louis area check on our indoor leagues. We have everything from target to bow hunting leagues. A great range with a new wall and a great place to shoot.

Until the next time may all of your arrows find the sweet spot.

Bob Brumback

Show Me State 3-D

Northside Archers—St. Louis, MO

Well our summer outdoor Field league is over. The winners for the month of July were Bill Schuh 1st and Bill Myers second place. The winners for the month of August were Bill Myers first place and Bob Brumback second place. In fact they were the only two that were eligible for the money in the month of August.

We had a great outdoor season, even though we had no nights of rain-outs and we continued to shoot during the bad heat. We would shoot the hot evenings very slow and drank a lot of water.

One thing about the hot summer was that there were no mosquitoes. I never got one bite while on the range. That is a record for Creve Coeur Park. The woods spiders sure were not as bad this year either.

I would like to say a little about MBH membership. This like the NFAA is a good organization to belong also. We really need to sell the Bowhunters out there on becoming members of the MBH, so let's all try to get one more person that we know who is a Bowhunter and tell him why it is important to belong to the organization. Tell the new person that because of MBH they now have longer bow seasons, more tags available, and a great Large and Small Awards program headed up by Jeff.

What we need to do is to go out and try to tell others a good reason for becoming an MBH member. This article will not do it, because you are already members. So what we must do is inform the average bow hunter and also target archer of the things that MBH has done for the bow hunter.

Such as, more liberal seasons and longer deer and turkey seasons. I think that our MBH has gotten many things for the average bow hunter that they do not realize. If anyone can think of anything else for heaven sake get out there and tell the non-MBH bowhunter population. There are a lot of them and they need to know what the MBH has done for them.

Well I am sorry that I took so long and I will get off my soap-box now.

Well not too much else right now, so until the next time my all your tracks be filled with Pope and Young animals. And by all means, wear that safety harness while up in those tree stands.

Bob Brumback

2012-2013 CALENDAR OF EVENTS
